# ALLER-DMG™ CHEWABLE

- **A Dietary Supplement to Relieve Respiratory and Nasal Discomfort and Skin Irritation.\***

#### Aller-DMG™ Chewable:

- Supports proper respiratory function\*
- Contains ingredients to maintain histamine levels within normal ranges\*
- Supports healthy balanced immune system function and contains potent antioxidants\*
- It's a convenient, great-tasting chewable tablet

#### A dietary supplement recommended for:

- Itchy eyes, skin and nose\*
- Runny or stuffy nose\*
- Red, splotchy skin\*
- Discomfort associated with respiratory dysfunction or skin irritation\*

#### Histamine Support

- **Quercetin** is a potent water-soluble bioflavonoid that is readily absorbed and utilized by the body. It helps strengthen cell membranes making them less reactive to irritants.\* Quercetin reduces the intensity of allergic reactions by supporting histamine within normal ranges.\*
- **Bromelain** helps to relieve swelling and discomfort.\* It helps to increase the absorption of quercetin; and together quercetin and bromelain work to help reduce discomfort associated with respiratory dysfunction and skin irritation.\*
- **Perilla Seed Extract** (yielding Polyphenols, Rosemarinic Acid and Luteolin) support histamine levels within normal ranges.\* Together the active components of Perilla seed help reduce discomfort associated with the aspects of histamine release including skin irritation, redness, sneezing, stuffy nose, overproduction of phlegm, skin and eye irritation, and runny nose.\*
- **Vitamin C** helps to regulate the production of histamine.\* Together with Quercetin, these two supplements help to support the reduction of histamine levels and minimize discomfort associated with allergic responses.\*

#### Antioxidant & Immune Support

- **Dimethylglycine** is an antioxidant that supports the proper function of the immune and respiratory systems.\*
- **Quercetin** is a natural antioxidant that may also help enhance the effectiveness of Vitamin C to help support the immune response and respiratory system.\*

#### Aller-DMG™ Chewable Advantage

- No other formula on the market combines all of these well-researched nutrients into one great-tasting chewable tablet to help support respiratory function and comfort.\*

#### Supplement Facts Panel

##### Serving Size: 2 Tablets

##### Amount Per Serving:
