Innovative by nature

CELL SUPPORT™

- **Cell Support™ is a vegetarian dietary supplement to support detoxification and immune system functions.***

- **Cell Support™** is one of the most complete antioxidant formulas available.* It contains over 22 synergistic nutrients designed specifically to help inactivate free radicals before they can cause any damage.*

SUPPORTS:

- Skin health*
- Immune system function*
- Liver health and detoxification processes*
- Anti-aging and antioxidant processes*

FREE RADICAL SCAVENGERS

- Selenium and Vitamins A, C and E are all potent antioxidants and are included in **Cell Support™**, but many more nutrients are involved in protection against free radicals.*

ENZYMES

- **S.O.D. (Super Oxide Dismutase) and Catalase** offer protection against free radicals.* These enzymes are also enteric coated so they are released in the body at the correct digestive intervals for maximum effectiveness.*
- **Minerals** are also included in this formula to function as cofactors for these and other enzymes and to support detoxification and antioxidant pathways.*

ANTIOXIDANTS

- **Coenzyme Q10** has been added because it is a cofactor in cellular energy and is another important antioxidant.*
- **Alpha Lipoic Acid** as a free radical scavenger is unique because it is both fat and water soluble offering protection both inside and outside of the cell.* Alpha Lipoic Acid has also been shown to extend the biochemical lifetime of other antioxidants such as Vitamins C and E and Glutathione.*

AMINO ACIDS

- **L-Cysteine and DL-Methionine** are necessary for the production of glutathione in the body. L-Cysteine is also necessary for the production of Glutathione Peroxidase, which is a potent antioxidant that inactivates free radicals before they can cause any damage.*
- **L-Glutathione** is included for its free radical scavenging ability.*
- **L-Lysine** is necessary for the production of antibodies, hormones, and enzymes.*

BIOFLAVONOIDS

- **Cell Support™** contains many different bioflavonoids including quercetin, rutin and hesperidin, which are potent antioxidants that work synergistically to support vascular and connective tissue health, maintain healthy collagen levels, protect cell structures and maintain healthy blood lipid levels.*
- **Quercetin** stabilizes cell membranes and supports vascular function.* It supports balanced histamine, prostaglandin and leukotriene levels within the body.*
- **Rutin** scavenges superoxide radicals, chelates metal ions (like iron that generate reactive oxygen species) and helps maintain healthy glutathione (antioxidant) and ATP (energy) levels within the body.*

- **Hesperidin** supports the decreased production of lipoxygenase, cyclooxygenase, and histamine by supporting the reduction of arachidonic acid.*
- **Cell Support™** is yeast free, and it can save you money by eliminating the high cost of buying several individual nutrients that would add up to what is in just four **Cell Support™** capsules.*

Supplement Facts

Serving Size: 2 Capsules

Amount Per Serving

Vitamin A (as 2,000 IU as Vitamin A Palmitate & 10,500 IU as Beta Carotene)	12,500 IU
Vitamin C (as Mg Ascorbate & Ascorbic Acid)	500 mg
Vitamin E (as d-alpha Tocopheryl Succinate)	150 IU
Vitamin B6 (as Pyridoxine HCl and Pyridoxal 5-Phosphate)	25 mg
Magnesium (as Mg Ascorbate)	38 mg
Zinc (as Zn Picolinate & Zn Citrate)	15 mg
Selenium (as Se Amino Acid Chelate)	50 mcg
Copper (as Cu Gluconate)	0.25 mg
Manganese (as Mn Gluconate)	1 mg
Molybdenum (as Mo Amino Acid Chelate)	25 mcg
L-Cysteine (Enteric Coated)	50 mg
DL-Methionine (Enteric Coated)	50 mg
Alpha Lipoic Acid	40 mg
L-Glutathione (Enteric Coated)	50 mg
L-Lysine HCl	25 mg
Hesperidin	20 mg
Rutin	20 mg
Coenzyme Q10	5 mg
Quercetin	10 mg
Super Oxide Dismutase (Enteric Coated)	10 mg
Catalase (Enteric Coated)	20 mg

Other ingredients: vegetable cellulose (capsule), cellulose, vegetable stearate.

- **Contains: Soy.**

Warning: If you are pregnant or nursing, consult your healthcare practitioner before taking this or any nutritional product.

Suggested Use: As a dietary supplement, take 2 capsules with a meal, 1 or 2 times daily or as directed by your healthcare practitioner.

Sold Exclusively Through Healthcare Practitioners.

0200722.060 (60 Vegetarian Capsules)
0200722.120 (120 Vegetarian Capsules)
