**Innovative** by nature

## G.I. BENEFITS

- **A dietary supplement to support G.I. Tract Health and Function.\***
- **G.I. Benefits** is the most advanced formula on the market today for optimal gastro intestinal health.\* It has been designed to support gut health, soothe the digestive tract lining, promote regularity, microbial balance and support proper immune function.\*
- **G.I. Benefits** provides 5 grams of L-Glutamine per serving and is flavored with natural ingredients.
- **G.I. Benefits** is available in a convenient, crystalline powder which mixes easily into any beverage or other functional food powder and is free of any ingredient that causes gas and or bloating.
- **G.I. Benefits** is the only formula of its kind to combine:
  - L-glutamine at 5000 mg per serving to fuel intestinal cells and maintain villi\*
  - Arabinogalactans at 1000 mg per serving to support the immune system, aid regularity and support the production of beneficial bacteria\*
  - Deglycyrrhizinated Licorice root at 500 mg per serving to help soothe the gut wall\*
  - N-Acetyl glucosamine at high levels (250 mg per serving) to support the integrity of the mucosal lining\*
  - Aloe Vera Leaf Extract (200:1) at 250 mg to support the body's ability to heal the lining of the stomach and keep the folds and pockets of the colon free of toxic material that gather there\*
  - Slippery Elm bark at 200 mg per serving to reduce bowel transit time; absorb toxins from the bowel; increase fecal bulk and enhance beneficial bacteria in the gut\*
  - Zinc Carnosine at a 100 mg per serving to help stabilize small bowel integrity, stimulate gut repair processes and help minimize free radical damage to gastric mucosal cells\*

- Marshmallow Root (*Althaea officinalis*) at a 100 mg per serving to soothe the gut\*

### Supplement Facts
