LIPOSOMAL C

A liposomal vitamin C dietary supplement.*

Liposomal Vitamin C:

- Is vegetarian and sugar free.
- Is in a liquid liposomal delivery system to support assimilation and bio-availability.*
- Provides 3 forms of vitamin C.
- Helps maintain collagen.*
- Helps the body form red blood cells.*
- Provides antioxidant protection against free radicals.*
- Supports the immune system.*
- Supports gum tissue.*

About Vitamin C

Vitamin C or Ascorbic acid is water soluble and an essential nutrient for humans. It acts as an antioxidant by protecting the body against oxidative stress. When there are more free radicals (reactive oxygen species, ROS) in the human body than antioxidants, the condition is called oxidative stress.

Oxidative stress can lead to many health challenges. Vitamin C is also a cofactor in at least eight enzymatic reactions including several collagen synthesis reactions. Vitamin C is found in high concentrations in immune cells, and is consumed quickly when the immune system faces a challenge..

Liposomal Delivery System

Liposomal encapsulation of ingredients represents a new delivery system that offers important advantages over existing methods of delivery. The liposome has hydrophilic and hydrophobic sides offering a fat and water portion which allows

vitamin C to be absorbed through the fat and water soluble pathways for optimal utilization by the body. This liposomal delivery system is especially beneficial for patients who have had gastric bypass surgery, who have general gastro-intestinal challenges and for those patients who require large amounts of Vitamin C.*

Supplement Facts

Serving Size 1 Teaspoon (5 ml)

Amount Per Serving

| | |
|--|----------|
| Calories | 20 |
| Total Carbohydrates | 5 g |
| Sodium | 110 mg |
| Vitamin C (as Ca Ascorbate, Ascorbic Acid, Ascorbyl Palmitate) | 1,250 mg |
| Calcium (as Ca Ascorbate) | 109 mg |

Other Ingredients: glycerin, sunflower lecithin, water.

Warning: If you are pregnant or nursing, consult your health care practitioner before taking this product.

Suggested Use: As a dietary supplement, take 1 teaspoon (5 ml) once or twice daily, or as directed by your health care practitioner. For milder taste can be mixed in 4-8 oz of water or juice.

Sold Exclusively Through Health Care Practitioners.
