PERNA®

Perna® is a dietary supplement to support proper connective tissue and joint functions.*

About Perna®

- Perna® is a *Perna canaliculus* (New Zealand Green-Lipped Mussel) supplement that provides key building blocks to support the structural integrity and maintenance of joints, ligaments, and tendons.*
- *Perna canaliculus* is an edible species of shellfish from New Zealand. Research over the past 20 years shows that the Perna mussel contains a combination of natural components that benefit joint dysfunction, which is not provided when these components are isolated.*

Perna is rich in:

- **Amino Acids** (essential and non-essential) to support the growth and development of all body tissues*
- **Branched-chain amino acids** (valine, isoleucine, and leucine) used to provide energy directly to muscle tissue*
- **Naturally chelated minerals** (for maximum bioavailability) to support the production of collagen, GAGs, proteoglycans, antioxidants, enzyme activity, and to support bone and skeletal health*
- **Omega 3, 6 and 9 fatty acids** to support joint health, immune system function, skin health, and to help regulate metabolic functions*
- **Naturally occurring glucosamine** to support the production of GAGs and integrity of the synovial fluid*
- **Chondroitin Sulfates** and proteins that work together to regulate the immune response and to neutralize the effects of destructive proteolytic enzymes*
- **Chondroitin Sulfates** to support comfort, improve joint lubrication, elasticity, and vasculature*
- **Hyaluronic Acid** to enhance the production of proteoglycans, support synovial fluid, lubricate connective tissue cells, and to function as a lubricant between the connective tissues of the skin to retain moisture*

Perna is recommended for:

- Supporting full range of motion*
- Joint flexibility*
- Joint lubrication*
- Joint discomfort*
- Strains*
- Sprains*

Supplement Facts

Serving Size: 2 Capsules

Amount Per Serving

Perna canaliculus (Green-Lipped Mussel)	1000 mg
