ALLER-DMG™

- **A Dietary Supplement to Help Manage Respiratory & Nasal Discomfort and Skin Irritation.***

Aller-DMG™:

- Supports proper respiratory function*
- Contains ingredients to maintain histamine levels within normal ranges and support a healthy, balanced immune response.*

A dietary supplement recommended for:

- Itchy and irritated eyes, skin and nose*
- Runny or stuffy nose*
- Discomfort associated with environmental sensitivities*

Histamine Support

- **Quercetin** is a potent water-soluble bioflavonoid that is readily absorbed and utilized by the body. It helps strengthen cell membranes making them less reactive to irritants.* Quercetin helps to manage the intensity of environmental sensitivities by supporting histamine within normal ranges.*
- **Bromelain** helps to relieve irritation and discomfort.* It helps to increase the absorption of quercetin; and together quercetin and bromelain work to help reduce discomfort associated with environmental sensitivities.*
- **Perilla Seed Extract** (yielding Polyphenols, Rosmarinic Acid and Luteolin) supports histamine levels within normal ranges.* Together the active components of Perilla seed help reduce discomfort associated with the aspects of histamine release including skin irritation, sneezing, stuffy nose, overproduction of phlegm, eye irritation, and runny nose.*
- **N-Acetyl Cysteine** to support healthy lung tissue and help break up mucus.*
- **Grape Seed Extract** contains proanthocyanidins, which are powerful water-soluble bioflavonoids that act as natural, intracellular antihistamines.* Proanthocyanidins also help manage discomfort associated with seasonal respiratory challenges by balancing the body's release of histamine.*

Antioxidant & Immune Support

- **Vitamin C & Quercetin:** Vitamin C is a powerful antioxidant that, enhanced by the synergistic presence of Quercetin, helps to support proper immune & respiratory functions and to regulate the production of histamine.*

- **Dimethylglycine** is a methyl donor that benefits the immune system by fighting free-radical damage.* DMG also supports proper respiratory function by promoting circulation and oxygen utilization to the lung tissues.*

- **Grape Seed Extract** (yielding proanthocyanidins) is a cell-protective substance that supports comfort and proper histamine levels.*

Aller-DMG™ Advantage

- No other formula on the market contains all of these well-researched nutrients combined into one great formula to help support proper immune & respiratory function and comfort*.

Supplement Facts

Serving Size: 1 Tablet

Amount Per Serving:

Vitamin C (as Calcium Ascorbate)	250 mg
