BEHAVIOR BALANCE-DMG™ LIQUID & CAPSULES

Behavior Balance-DMG™ is a phenol free dietary supplement to support balanced behavior, social interactions, immune system function and manage stress.*

Recommended to support:

- Balanced behavior and socialization skills*
- Stress coping mechanisms*
- Mental clarity*
- Immune system functions*

Behavior and Social Skills Support*:

- **Dimethylglycine (DMG)** has been reported to modify and improve behavior, eye contact, social interaction, verbal skills, mental alertness, brain function and may reduce lethargy.* It is a precursor to many amino acids and neurotransmitters that aid in brain and nerve function.*
- **Betaine (trimethylglycine)** helps support behavior, increased social interaction, circulation, normalize amino acid metabolism and liver protection from fat deposits.* Betaine is a precursor to DMG.
- **Vitamin B6** supplementation results in a positive impact on behavior, better eye contact, less involuntary physical action and more interest in participation.*
- **Folic acid** helps in the metabolism of the amino acids used by the brain.*
- **Vitamin B12** supports proper sleep patterns and production of the neurotransmitter acetylcholine, which assists in memory and learning.*

Stress Management and Mental Clarity:

- **Magnesium** is a mineral that supports cognitive function and is essential for normal brain and nervous system functions.*

Immune System Support*:

- **DMG** helps the body adapt to various forms of stress and supports the immune system.* Three U.S. Patents on DMG have been awarded to DaVinci® based on 20 years of extensive research into the benefits on DMG.
- **Zinc** supports a healthy immune system and helps fight the formation of free radicals.*

Available in an easy to swallow vegetarian capsule or a great tasting natural tropical punch flavored liquid.

Behavior Balance-DMG™ capsules also contain Vitamin E and L-Carnosine. These additional antioxidants help support the immune system and nerve transmission.*

Supplement Facts

Serving Size: 2 Capsules

Amount Per Serving

| | |
|--|----------|
| Vitamin E (as d-alpha Tocopheryl Succinate) | 16.66 IU |
| Vitamin B6 (as Pyridoxine HCl 50% and Pyridoxal-5-Phosphate 50%) | 33 mg |
