RAINBOW BLEND WITH NONDAIRY PROBIOTICS

Rainbow Blend is a tasty berry blend available in a 30 serving container.

Rainbow Blend is:

- A rich, unique and colorful blend of organic red, green, orange, blue and purple fruits and vegetables
- A source of organic Acacia Fiber, Green Tea, Spirulina, and herbs*
- Designed to support the whole body*

Use of organic raw materials means that these raw materials do not include: pesticides, herbicides, GMO (genetically modified organisms), or irradiation.

Rainbow Blend contains:

Organic Acacia Fiber is a natural, pure, certified organic soluble fiber produced from the gum of the Acacia tree (also known as gum arabic). As a prebiotic, it supports the development of bifidobacteria and lactic acid bacteria in the large intestine, which supports bowel function and regularity.*

Organic Green Tea Powder comes from the Camellia plant, which is rich in polyphenols.* Polyphenols work by stabilizing free radicals; therefore green tea helps maintain healthy cells and tissues and is frequently recommended to support normal aging and skin care.*

Organic Spirulina is a microalga that can be consumed by humans and animals. As a whole food, it supports overall health and wellness.* Spirulina is well known for its ability to support the healthy functioning of the liver and immune system, which aids in the detoxification of harmful pollutants.*

Organic Compliant Nondairy Probiotics *Lactobacillus acidophilus*, *Lactobacillus rhamnosus*, *Lactobacillus casei*, *Bifidobacterium bifidum*, *Bifidobacterium longum*, and *Streptococcus thermophilus* (in organic inulin) span the entire GI tract. Because each strain has an affinity for a different part of the digestive tract, and a unique mechanism of action, this mix delivers multiple strains (preferable to single strain products) for digestive tract and colonic support.*

Organic Fiber Blend includes Organic Inulin, Organic Milled Flaxseed, Organic Alfalfa (from Sprout), and Organic Brown Rice Bran to support your digestive health and regularity.* **Organic Fiber** also promotes the growth of healthy bacteria.*

Organic Herbal Blend includes Organic Parsley, Organic Turmeric, Organic Milk Thistle (*Silybum marianum*) Seed Powder, Organic Ginger, and Organic Aloe Leaf Powders to support liver function.*

Organic Vegetable Blend includes Organic Kale, Organic Carrots, Organic Broccoli, Organic Chlorella, Organic Spinach, and Organic Beets, to provide sustainable energy from the powerful combination of carbohydrates, protein, and fiber.*

Organic Berry Blend includes Organic Strawberries, Organic Red Raspberries, Organic Acerola Berry Extract, Organic Blueberries, Organic Cherries, Organic Concord Grape Powder, Organic Blackberries, Organic Black Raspberries, Organic Bilberries, Organic Cranberries, Organic Goji Berries, Organic Acai, Organic Hawthorne Berries, and Organic Schizandra Berries to provide a complement of nutrients and the antioxidant vitamin C to help fight and neutralize free radicals even in the face of oxidative stress.*

Organic Fruit Blend includes Organic Bananas, Organic Pineapple, Organic Plums, Organic Peaches, Organic Papaya, Organic Mango, Organic Rose Hips, Organic Apples, Organic Lemons, and Organic Pomegranates to provide sustainable energy from the powerful combination of natural carbohydrates, protein, and fiber.*
