# CURCUMIN C3 COMPLEX®

- **An herbal supplement to support proper liver and gallbladder function.\***
- Turmeric, a flavoring spice rich in Curcumin, has liver protective, detoxifying and free radical scavenging properties.\*
- Turmeric (*Curcuma longa*) is an antioxidant that:
  - Protects against free radical damage and unwanted substances in the liver.\*
  - Normalizes gallbladder function\*
  - Aids in digestion\*
  - Helps maintain cholesterol levels within normal ranges\*
  - Supports circulation and blood vessel health\*
- Used in Ayurvedic medicine as a cleansing herb for the whole body and in Chinese medicine to support liver, gallbladder, digestive, and circulatory health. \*
- Today it is known to be useful in situations in which high levels of antioxidant support are necessary.\*
- The volatile oils in Turmeric support joint comfort and bile production, which supports better fat digestion.\*
- Turmeric supports intestinal flora and the mucus membranes of the body, including those of the digestive tract, which is important after a course of antibiotics and for those with dysbiosis (unbalanced intestinal flora).\*
- Turmeric supports absorption and metabolism, has a soothing effect on the mucosa of the gut and helps protect the stomach against excess acid.\*
- Curcumin supports production of B and T cells which is useful for supporting proper immune system function.\*
- Curcumin also supports production of bile as well as enzymes that digest sugars and fats to help maintain blood cholesterol levels within normal ranges.\*

- The active ingredients in turmeric are thought to be its volatile oil and various curcuminoids, especially curcumin. Our Turmeric is standardized to yield 475 mg (95%) Curcumin per capsule.
- Turmeric has GRAS (Generally Recognized As Safe) status in the U.S. as a food product.
